Old Business

- 08-001 NAA Open House P \$1850.00 RHA President Gallagher

RHA President: **Went through a summary of bill**, actual quote came in for \$1,150 for water.

Questions:

GLC: what is the format of the tour?

4-4:30 speeches in the Ramblin Wreck room. Every 15 minutes they will have walking tours through the apts.

GLC: Where is the mail room?

Next to registration

FOC Recommendation:

Recommends bill down to \$1,450 due to actual price of water. Plenty of planning and other organizations are contributing. Passes 5-0

Discussion:

CSA: Motion to amend to FOC recommendation

CSA: Makes sense to lower the bill to free up money.

CSA: Programs?

Yes

Vote

Passes to FOC recommendation. water down to \$1,150.

CSA: Price is about 0.50 cents per bottle

New Business

- 08-003 Allocation to NAA **P** **Unknown** Matt Chappel

Presents:

Matt: Health wellness program advertised to the entire campus. Entails chef from dining halls to teach residences how to cook healthy. Will show how to eat healthy on a low budget. Details on exactly to be served if you wish, pasta, chicken, salad. Recipes will be available. Asking for \$400 from LC and asking Hall Councils for money.

Questions:

CSA: Why did you choose sodexo for healthy food?

Britain is not healthy example but chef does not cook normally. When doing events on campus resources on campus is better.

ULC: What are the funds going directly for?

Food- \$600, chef \$200 total cost will be \$900. some amount will come from NAS budget.

NA: What happens if we pass and fails in HC?

They only get our money

NAS: I'm co-author and haven't read the bill yet.

You were not in place yet.

GLC: Is this a housing staff idea?

Programming split into CA's requirements and area program requirements. Committees help with larger programs. Different CA's participated in the program.

GLC: Unique to North Avenue?

Yes.

ULC: Sodexo taking on costs?

Not to my knowledge. Pure business for them.

FFM: How many people expected?

Planning for 200, think we might have more. Advertised to 2000 people at least.

CSA: Will there be a limit of 150 people?

Will have 200 but planned for 150. 150 samples will be brought.

CSA: Restricted to only North Avenue?

All welcome but expecting most people from North Avenue.

NANW: Remainder from HC's being split?

Yes, going to each NA HC for funding. Under tabling amount for each.

ESW: Any subsidizing from dining?

No.

NAS: What RHA Presidente?

6:00 to 7:30

CSA: Will Sodexo be advertising for themselves?

Don't think actual company will be advertising. The most will be the Sodexo name tag on.

FFM: Will it be advertised in the dining halls or food court?

Advertised in Student Center, primary is residents.

- 08-004 Harrison, Cloudman, and Glenn Mixer **P** **\$270** Tiffany Cain

Presents:

Tiffany Cain: Hosting a mixture in the Britain Wreck room. Asking \$270 from LC.

Questions:

CSA: How much money each hall council has?

\$1,900

NAS: What about Towers?

I don't know, competition between the two.

CSA: Only the hall councils and LC bearing most of the costs?

More than one HC so must come to LC

Eighth Street: How many people live in the HC's?

Expecting about 250 people.

ULC: Reason that Cloudman not paying for anything?

Same hall council with harrison.

Smith: What would you do if lots of guys from smith crash the party?

I don't think people will get rejected.

CSA: Have you talked to wreck radio and what type of music?

Yes, music like star 94

• 08-005 Hall Council Chartering
Presents

P \$0.00

Lisa Stuber

Lisa Stuber: This formalizes the hall councils.

Questions:

NANW: looking into changing the name. Will this affect us?

You can call yourself anything but not recognized by LC.

Open Forum

CSA: Would it be possible to bring back Anu and have a discussion about how to better respond.

Residents had emotions not expressed right, can we help them address them better?

RHA President: Will talk to Anu and Greek presidents and AA for open panel about this.

FFM: Transportation for a talk?

RHA President: I'll try.

NANW: Convenience stores highly overcharge for items. Taking advantage of students with high prices.

Is there any way to pursue fair pricing?

RHA President: Will get people to talk about it. 11% goes to GT automatically.

Advisor: Campus Advisor's committee guides policy on campus.

RHA President: Will get person to talk.

CSA; When does Sodexo's contract run out? Can we get rep in here?

RHA President: I can try to get area manager in to talk but he is very busy. Contract up for review 2 years ago and re signed.

SSA: Can we get someone from parking, motorcycles parked in bike? Lighting system needs to be updated.

Yes.

NAS: Alarm in the corridor between south end into the main courtyard is really loud and you can hear in on the 7th floor. Open to all the 2000 residents. Can we get the alarm looked at or something done about it?

RHA President: don't prop the door open and will look into turning it down or keeping hours.

Advisor: Residents can check the sytem if it's going off

NAS: More on overpricing, could we also look at getting another contract to get better prices?

RHA President: Sodexo has contract on campus. Auxiliary Services probably wouldn't do it to compete with itself.

NAS: Can we get rid of current one and get a new one?

RHA President: Something we can look into.

FFM: Vending machines need buzzcard access on them?

Student center owns them.

CSA: Why are we not being filmed?

Don't know but we told them the RHA Presidente.

NAS: When does Sodexo expire?

Every 5 years they renew and sign.

NAS: Bike space gets double stacked. Whoever owns that we should talk to?

RHA President: Yes we'll look into it.

NAS: Parking garage gate locks up next to Centennial parkway. Can swipe in but can't swipe out.

Advisor: SomeRHA Presidentes they don't swipe in so they can't swipe out.

NAS: Some people swipe in and other people come it messing with the system.

NAS: North Avenue residents would like access to all the North Avenue buildings for different spaces and getting up to friends.

Advisor: Unprecedented access, not in use in other building. Access to common spaces could be done. Laundry is accessible for different buildings.

FFM: Doors are too rusted and not safe. The key will get stuck

RHA President: Submit a maintenance request.

IX. Miscellaneous Business

X. Announcements

VPA: I have a lot of pizza forms, take them.

Advisor: RHA President tells you a lot of your stuff, please take notes and let your hall councils know about them. Give opportunity to residents.

CSA: Do we have seat on the CRC advisory board?

No, we can pursue getting seats on them.

RHA President: Emails gets forwarded to you.

FFM: DOC position open to hall council members? Yes, you'd have to resign your current position. You must have been on campus for at least one semester.

XI. Adjournment
